

# NEWBORN SECURITY PROCEDURE IN PLACE

*Help us keep your baby safe and secure*

- Never give your baby to anyone without checking their Hospital I.D. badge.
- Never leave your baby unattended, e.g. before showering, move your baby's cot into the bathroom.
- Keep the door to your room closed whenever possible.
- Keep I.D. bands on you and your baby until your arrival home.
- Never take your baby off the Childbirth and Children's Centre unit without checking with your nurse.

**PULL the EMERGENCY Call Bell IMMEDIATELY**  
*if you have any questions about your baby's safety.*
